Re: Orange & Blue Construction, Inc. - Bonding Reference

To Whom It May Concern:

Please be advised that we are the surety broker for Orange & Blue Construction, Inc. They have a bonding relationship with Travelers Casualty and Surety Company of America. A.M. Best Rated; A++ XV, who meets the definition of a "qualified bonding company" under F.S. 287.0935.

We are in the position to entertain a performance and payment bond when requested with a single job limit of \$17,000,000 and \$34,000,000 aggregate. It is understood that any surety credit extended will be based on normal and standard underwriting criteria at the time of request.

We would like to extend our highest recommendation on behalf of Bill Randle and their entire staff. If we can provide any additional information please do not hesitate to contact our office.

As this is a letter of recommendation and not a bid bond; Bateman Gordon & Sands, Inc. accepts no liability for its contents. The surety reserves the right to review each submission and base their final decision upon conditions which exist at the time of requests.

Regards,

Howard Newman
